**CHIEF SEALTH GROUNDBREAKING
CEREMONY MARCH 12TH CANCELLED
IN FAVOR OF 2010 GRAND OPENING**

The renewal of Chief Sealth and Denny is an exciting step to support excellence for every student. After making the initial decision to postpone the groundbreaking of Chief Sealth for the permitted phase of construction work, we have decided to focus our energy and resources to hold a grand re-opening celebration for Chief Sealth in 2010 and the new Denny facility in 2011. This means that, rather than using our resources for several small events over the next two years, we will plan with our students, staff, community and alumni for two outstanding community celebrations in 2010 and 2011.
