Re: Wing Luke Elementary School Project
Appeal of SEPA Determination of Non-Significance

Dear Mr. Jackins and additional appellants:

On January 11, 2018, I received the Hearing Examiner's Findings, Conclusions and Decision Recommended to the Superintendent of the Seattle School District ("Recommendation"). I have carefully reviewed the Recommendation and find it to be sound. As a result, I hereby adopt the Hearing Examiner's Recommendation as my decision. Appellants' evidence has not shown the Responsible Official's SEPA determination to be clearly erroneous. The SEPA DNS is therefore hereby affirmed.

Sincerely,

Dr. Larry Nyland
Superintendent
